

Pre-Qualification Packet for Bidding the Farmington City Fire Station Remodel Project

Process

It is the intent of Farmington City to award a contract some time in July, 2009, to the lowest bidder for the Farmington Fire Station Remodel Project.

The estimated budget for the project is approximately \$200,000. The City intends to pre-qualify bidders by having general contractors complete Exhibit "A", attached hereto, and referred to as the "Pre-Qualification Packet". The completed packet is to be returned to the City on or before 5:00 p.m. June 19, 2009.

A City committee will review all "pre-qualification packets" submitted on or before the due date and will select a short list of five or fewer pre-qualified bidders who will be invited to pick up plans and specs for the project. The contractor submitting the lowest responsible bid will be awarded the contract for the project. Farmington City reserves the right to reject any and all bids.

Time frame for construction - 120 days.
